

Antique Paper Wreath

Supply List for Antique Paper Wreath from Jenna DeAngeles.com

- Antique Book(s). You can use two sizes for a larger wreath. I suggest one book to be 8" x 10" and the larger book, perhaps 14" x 10" or similar. Try to match the weight of the paper of both books. Avoid lightweight papers as they are prone to ripping.

- Tape
- Stapler
- Hot Glue Gun & Glue
- Piece of Foam Core cut to 9" x 12"
- Center: Options include small ornaments, potpourri, pods or other decorative pieces.

- To Hang: Use Binder Clips and string.

Roll approx. 44 LARGE cones of paper for the foundation (lowest) level.

Roll approx. 55 smaller cones of paper for the 2nd layer.

Roll approx. 55 more cones for the inner 2 layers.

Total cones: 44 LARGE

110 Smaller cones
